## General Comment

Do NOT under ANY circumstances let AI programs freely screen copyrighted material! Do NOT give free access to AI programs to steal from genuine works by people, ESPECIALLY when said material is copyright protected. AI openly steals from artists and pushes out content that is worse in quality. Not only that, AI programs steal away work and jobs from hardworking Americans! ANY use of Artificial Intelligence to generate content is PLAGIARISM and THEFT! Any development of AI programs will threaten the livelihoods of an untold number of hardworking American workers, and will be the death of human innovation, intelligence, and creativity. DO NOT DEVELOP OR USE AI FOR ANY REASON!
