Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-8294

Comment on FR Doc # 2025-02305

Submitter Information

Name: S B

General Comment

Theft of intellectual property must not be allowed to be permitted under the premise that artificial intelligence must progress or fulfill some kind of financial obligation to investors. If these programs need the work of other creatives to generate any product, then they are just cheap thefts plundering under regulated domains for no tangible benefits.
