Docket: NSF_FRDOC_0001

Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-8363

Comment on FR Doc # 2025-02305

Submitter Information

Name: Matt Holloway

Email: [REDACTED]

General Comment

There is no legal or moral standing for giving tech billionaires free reign on copyrighted works. Why are they to be held to a different standard than the rest of society? If their machines cannot work properly without unfettered access to the work someone else legally owns without their consent or compensation, then it deserves to fail.

AI companies are actively bad for society from both a creative and social perspective.
