Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-8390
Comment on FR Doc # 2025-02305

Submitter Information

Name: Nolan Thompson

General Comment

I have no interest in AI and I do not want it anywhere near my writings. I worked hard on them and the idea that someone can come along and, essentially, drop it in a blender with a bunch of other peoples' work without even bothering to interact with the original is deeply offensive to me on just about every level I can think of.

AI is awful and I want no part in it.
