Document: NSF_FRDOC_0001-DRAFT-8541
Comment on FR Doc # 2025-02305

Submitter Information

Name: Patrick
McWilliams Em [REDACTED]

General Comment

AI (and AI companies) should be subject to copyright law and not have any immunities.

They need to pay for the stuff they've used to build their models and pay again whenever output is generated. At rates determined by the holders of the copyrighted materials they have used.
