Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-8545

Comment on FR Doc # 2025-02305

Submitter Information

Name: R V

General Comment

This is not the right move in an effort to secure a future of creatives and expression. Generative artificial intelligence has no room in our society. This will benefit none except for thieves, and allowing AI to grow rampant is a step back in society. Whatever happened to creative expression and freedom being encouraged?
