Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-8612

Comment on FR Doc # 2025-02305

Submitter Information

Name: Valerie Ruston

General Comment

As an American who has devoted her future to the arts (as a musician), I have to make the following statements regarding Artificial Intelligence:

- I do not believe AI holds a place in the future of the United States.
- AI steals from my livelihood as an American and profits off of theft.
- AI is overhyped and is fleecing the eyes of the American public.
