Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-8637

Comment on FR Doc # 2025-02305

Submitter Information

Name: Samuel James

General Comment

AI has no true value. It's a scam designed to fleece good people who didn't grow up with technology and don't realize that all AI is is a sham that generates lies from stolen content. It's unpopular, unprofitable, and unusable. Support the humans who live in this great country, not some hallucinatory machine.
