Document: NSF_FRDOC_0001-DRAFT-8733
Comment on FR Doc # 2025-02305

Submitter Information

Name: Liam Thomas
Address:

General Comment

This policy would give companies vast discretion to use whatever materials they like in any way they like. In other words, the IP rights of all Americans are being thrown out the window to let a few companies chase technological hype.

This will be massively damaging to the arts and entertainment industries and crush real creativity.
