Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-8751

Comment on FR Doc # 2025-02305

Submitter Information

Name: Anonymous Anonymous

General Comment

Creators of copyrighted materials MUST be compensated by entities aiming to use them for LLM/AI training.

Companies already relying on copyrighted material in their dataset must be compelled to compensate creators retroactively, or face penalties up to and including shutdown.

Anything short of this constitutes theft, and would pose a colossal threat to human creative endeavor.
