Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-8756

Comment on FR Doc # 2025-02305

Submitter Information

Name: Aryn Castro

General Comment

We don't need this. AI is dangerous as it is- all it has done is increase the volume of scams, impersonation, and identity theft. The general public is turned off any time artificial intelligence is mentioned- it would only continue to hurt a failing economy.
