Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-8869

Comment on FR Doc # 2025-02305

Submitter Information

Name: Karla Smith

Email: [REDACTED]

General Comment

Artificial Intelligence...mainly generative AI...is dependent on existing works and properties to produce content, which could include copywritten material. Giving AI permission to use this material is technically copyright infringement, and hurts public and independent content creators alike.

If this plan is put into action, please see to it that generative AI is forbidden.
