Docket: NSF_FRDOC_0001

Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-8927

Comment on FR Doc # 2025-02305

Submitter Information

Name: F D

General Comment

The United States is not losing the race for better AI due to a lack of support from the Federal Government, but rather from the current popular companies chasing profits vs improvements to their systems and a lack of immediate benefit to the masses. The Federal Government would be better served focusing it's attention on improving technology for a renewable energy sources and upgrading the supporting infrastructure that provides internet access to citizens.
