Document: NSF_FRDOC_0001-DRAFT-9062
Comment on FR Doc # 2025-02305

Submitter Information

Name: Margaret Westerby

[REDACTED]

General Comment

In a country that has thrived thanks to a robust patent and copyright culture it is inconceivable to me we would entertain the idea of letting companies steal information in order to function. If your business model can't stand paying people for their knowledge work than it is a broken business model.
