General Comment

Do not let a greed driven, lie and nonsense spitting, half baked auto correct run this country.

Allowing AI to steal will not only crush the lives of honest hardworking American people but further drive the country into a pit of illiterate, machine dependent shells of human beings. Do not let AI sap the resources and health of the planet just so it can lie to us, steal from us.

Do not spit on the hard work of the past, respect the Copyright Laws in place and refuse the greed and lies trying to poison and steal the soul of the American people.
