Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-9377
Comment on FR Doc # 2025-02305

Submitter Information

Name: Dustin Denley

[REDACTED]

General Comment

As an aspiring writer of fiction and student of literature, I do not understand or approve of technology that steals the work of others without consent in order to “learn” or replace genuine human expression with algorithmically generated fluff.

I demand action be taken to regulate this technology’s development so that it does not freely steal and to prevent corporations from using it as a replacement for human artists!
