Document: NSF_FRDOC_0001-DRAFT-9454

Comment on FR Doc # 2025-02305

Submitter Information

Name: Matthew Eshelman

General Comment

A.I. is a dangerous technology that is already be used and abused by entertainment and legal executives and ceos to take jobs away from the people within the country by making bad and legitimate wrong documents and images that are forcing artist out of work. Not just that but these AI developers have already taken many works without consent or authority giving many people fear that their work can be used for dangerous or illegal purposes.
