General Comment

I am begging you to not let OpenAI use copyrights material to train their AI, it is STEALING! I don't think AI has a place in the future of the U.S, I think it is a major threat! It steals jobs, it steals material, it consumes so much energy, and those in the Government want to implement it to control very sensitive sectors. If anything, AI should be outlawed and Open AI should be shut down or banned from Government affairs. Again, it steals from the livelihood of Americans and Profits off theft. You cannot possibly support that.

Please stop OpenAI from being able to make things worse.
