Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-9495

Comment on FR Doc # 2025-02305

Submitter Information

Name: Patrick Blakely

General Comment

I do not believe that AI holds a place in the future of the US. I don't believe that it upholds American values to embrace such a thing officially. This bill will have disastrous consequences upon copyright if passed, and so to preserve the internet which I use and love, I believe such a bill should not be adopted.
