Document: NSF_FRDOC_0001-DRAFT-9496
Comment on FR Doc # 2025-02305

Submitter Information

Name: Gabe Soria
Address:

General Comment

As someone who makes their living through their writing, I believe that granting OpenAI a license to steal my work and the work of other artists is a betrayal of humanity in the pursuit of profit, a prioritization of big business over individual rights, and an unconscionable giveaway to Big Tech. It's worse than the opening of the mythical box of Pandora, a bell that cannot be unring.
