Subject: [External] AI Action Plan
Date: Monday, March 17, 2025 9:14:32 AM

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

I am emailing this to tell you that the expectation of AI being this all-magic button that can make content in an instant is not only a bad mindset to have, but the plan would only create low-quality content. Abandon this mindset. Abandon the plan.
