I do not approve of any plan that allows for any vulnerable person to be harmed. Please be certain that your plan gives no authority to DOGE or any related agency. Please do not make any plan that is unlawful. Please do not do anything that attacks reproductive freedom, travel for reproductive health care including abortion, or gives any tools to local, municipal, tribal, state or federal employees of any department that could in any way be used to track, monitor, or investigate any woman or doctor.
