Subject: [External] NO TO AI
Date: Monday, March 17, 2025 9:13:53 AM

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Giving AI companies free use of copyrighted material is fundamentally wrong as it completely undermines the idea of copyright.

Copyright is automatically granted to the author of an original work. And allowing a private party to profit from the work of the original author without their consent is completely wrong.

AI steals from the livelihood of Americans and profits off of theft
