Subject: [External] AI Action Plan
Date: Saturday, March 15, 2025 10:39:46 PM

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

- * I do not believe AI holds a place in the future of the US
- * AI steals from my livelihood as an American and profits off of theft.
- * AI is overhyped and is fleecing the eyes of the American public.

AI only works by stealing from humans. Creativity in the arts is one of America's greatest attributes. We must not destroy that by prioritizing AI over human creatives.
