Subject: [External] AI Action Plan
Date: Monday, March 17, 2025 12:24:12 AM

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

AI needs to be regulated, intensely. It is used non-stop to generate inappropriate images of minors, non-consenting women, and other vulnerable groups.

It is also being used to intrude on the copyright of creatives, from writers to artists.

AI is not worth leaving uncontrolled. It will become a major problem. It will be used against america.

All e-mails to and from this account are for NITRD official use only and subject to certain disclosure requirements.
