Subject: [External] AI Action Plan
Date: Saturday, March 15, 2025 7:38:50 PM

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

As a writer, AI steals from my livelihood as an American and profits off of theft. Copyrighted works are protected intellectual property and should not be used to train overhyped software that is used to turn a profit for someone other than the copyright holder. I do not believe AI holds a place in the future of the US.

Sincerely,

Jennifer Abounader-Ciesla
