Subject: [External] AI Action Plan
Date: Monday, March 17, 2025 9:14:27 AM

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

AI is clearly comprised of stolen content and needs to have its restrictions upheld. At the very least, the original copyright owners would need to be compensated, or else they risk not creating more content, and generate less business. To allow AI content is to kill the flow of commerce.

All e-mails to and from this account are for NITRD official use only and subject to certain disclosure requirements.

If you have received this e-mail in error, we ask that you notify the sender and delete it immediately.
