Subject: [External] AI Action Plan
Date: Sunday, March 16, 2025 12:35:14 AM

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Absolutely not. AI companies should demonstrate that they have a real product that does things besides plagiarism and hallucinations before you consider anything along these lines and even then, no. It's a grift. A sham. People like Sam Altman are swindlers, through and through. Once this is done failing and crashing our economy based on how much we are wasting on it, he'll disappear into the ether with all of our money.
