Subject: [External] AI Action Plan
Date: Friday, February 14, 2025 8:53:54 AM

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Please consider the human aspect as you develop your plans.
Also, prevent for-profit corporate leaders from having the final say in the lives of the for-living human population.
Make the decision for the good of the American people not for the whim of a single elected official.

There will come a time when AI could replace many human jobs and we will have to answer, again, what is the value of a human?

This document is approved for public dissemination. The document contains no business-proprietary or confidential information. Document contents may be reused by the government in developing the AI Action Plan and associated documents without attribution.
