Subject: [External] AI Action Plan: stop technocratic government takeover
Date: Monday, March 17, 2025 9:18:27 AM

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

For the sake of national security, and to save the US from a complete and utter China victory in every sector of technology, economy, and political control, the regulation and government oversight of OpenAI, Anthropic, and other LLMs programs should be complete.

Do not let these companies takeover our government or we will lose to China. Regulate regulate regulate.
