Subject: [External] AI Action Plan
Date: Saturday, March 15, 2025 9:41:59 PM

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

To whom it concerns:

I oppose the AI Action plan. I believe the United States can become an artificial intelligence powerhouse, however they need to be a worldwide leader in AI while maintaining regulation. To be safely used by US industries and international collaborators, it needs to hold a high bar of safe, trustworthy development and use of artificial intelligence.

Thank you for your consideration.

Melissa Hoberg
