Subject: [External] AI Action Plan
Date: Monday, March 17, 2025 9:18:51 AM

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

In order to create AI systems that are free from ideological bias or engineered social agenda, more societal standards should be considered, not less. Copyright law must be followed, and there should be easy methods in getting permission to create data sets, instead of scraping information from the internet.
