Subject: [External] AI Action Plan
Date: Sunday, March 16, 2025 9:20:45 AM

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

I do not believe AI holds a place in the future of the US. It steals from my livelihood as an American and profits off of theft. Taking data created by other people without their permission is unlawful and immoral. AI is currently overhyped and is fleecing the eyes of the American public.

This document is approved for public dissemination. The document contains no business-proprietary or confidential information. Document contents may be reused by the government in developing the AI Action Plan and associated documents without attribution.

Regards, Daniel Ilic
