Subject: [External] AI Action Plan
Date: Monday, March 17, 2025 9:13:30 AM

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

AI is overhyped and is destroying jobs and the environment. Whether something is good for the American people and the planet is FAR more important than whether there are requirements that are "burdensome" for private industry, who already profit off of our labor and data.

Rowyn
