CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

I do not think we should allow the entire system of copyright, which incentivizes people to create, to be dissolved because of unproven technology. They need to be regulated if the tech will ever be as good as they say.

All e-mails to and from this account are for NITRD official use only and subject to certain disclosure requirements.

If you have received this e-mail in error, we ask that you notify the sender and delete it immediately.
