Attn: Faisal D'Souza,

My name is W.L. Swarts. I am an artist and writer and the owner of Enlighten Someone Daily Productions.

Convicted Felon Donald Trump's executive order 14179 is blatantly unconstitutional and a violation of United States and international copyright law. I, and my company, will not comply. We do not consent to the use of ANY of our materials or intellectual property in the use, development, training, et al. of any artificial intelligence technology.

Convicted Felon Donald Trump's executive order presupposes that all citizens see a benefit in artificial intelligence technology, its development and "sustaining and enhancing America's AI dominance;" this is a false premise. Artificial intelligence is a malignant technology that relied upon intellectual theft and there can be no "automatic opt-in" to the executive order that does not violate the word and spirit of intellectual property and copyright laws.

F&^% A.I.

Sincerely,
W.L. Swarts
Enlighten Someone Daily Productions.
