**RE: AI TOOLS BENEFIT SMALL BUSINESS OWNERS**

McDaniel Consulting GBSFE impacts the \$8.3 Trillion that U.S. small business owners contribute to our U.S. GDP from our global headquarters in Dallas, Texas. We formed in **year 2001 after a career in international compensation with Ernst & Young**. We would like to assure that AI, artificial intelligence, initiatives can be specifically tailored for nano businesses, micro businesses, as well as SME small medium enterprises.

Thank you for your kindness in accepting our comment.

Warm regards,
