

In an earlier time, a man was shoveling carriage waste in front of a livery stable when the first Henry A. Ford Model T raced past. Startled the man said out loud "What was that?" "Rose Wild January 12, 2018). "We were buried in fake news as long ago as 1894"

When a person reads a book the reader's mind thinks. (The Coming Wave: Technology, Power, and the Twenty-first Century's Greatest Dilemma by Mustafa Suleyman) We live in a Post Literature Society we get information from other devices God Bless the U.S.A." (also known as "Proud to Be an American" ) is an American patriotic song written and recorded by American country singer Lee Greenwood, and is considered to be his signature song. Released by MCA Nashville on May 21, 1984, (Fight the Power the Public Enemy Song released July 4, 1989) than the written text of books.

Bill Gates the Microsoft co-founder and philanthropist selected The Coming Wave for his 2024 Holiday Reading List. To educate the reading public. Mr. Gates did not found his company in a garage he had a trust and his ancestors were people with an understanding of the complexities of big business.

The book Wealth and Democracy written by Kevin Phillips provides a background on how we got to this point. Among the points the author makes is that 21 societies in the past that have proceeded to gut the middle class have all failed.

It is worth noting that about (3,671) company stocks remain for sale on American Stock Markets which is half as many as when Bill Clinton was president (7,322) this trend of fewer and fewer public stocks companies being sold holds even as more and more Americans hold equities in retirement instruments. Initial Public offerings (IPO" s) before George W. Bush's presidency on average were 300 a year now only about 100 per year. However, this is not true in foreign stock markets where more and more public companies are offered for sale each day increases.

What is happening is that an investment vehicle known as Unicorn is being used to fund AI start-ups and sizing control of future wealth.

I think making the United States the world leader in AI requires educating the masses. How many can name the quarterback for both teams in the Super Bowl? Where does AI TV add fit in the lineup during the big game? The trick is the Post Literature Society is the understanding we have a President who does not read books. The funding from the Sputnik scare of 1957 in the fullness of time will lead to the Internet.

### [Why Henry Ford Doubled Worker Wages To \\$5 In 1914](#)

I think take a hard look at Henry Ford's \$5.00 hours wage increase and included the worker in the money.

William Michael Traubert
