CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

You cannot allow AI companies to violate copyright law, it will destroy several industries and cost thousands if not millions their livelihood. This is all without mentioning that anything anyone ever made not suddenly cannot be copyrightable, allowing for immense chaos of every country suddenly either locking down and cutting connection with the US or copying all sensitive documents.

All e-mails to and from this account are for NITRD official use only and subject to certain disclosure requirements. If you have received this e-mail in error, we ask that you notify the sender and delete it immediately.
